The National Intelligence Survey, Section 24, Topography, covering the Minas Gerais area in Brazil is classified Confidential and is not available as a source for unclassified private research. Several of the maps covering S.E. Brazil, however, are unclassified and available from [REDACTED] the Coordinator for Maps and Publications, Department of State. I have transferred your request to him for action.

Distribution:

Original - ADDI 25X1A9a
1 - MLD/BGI - [REDACTED]
